## A JOURNEY INTO THE JUNGLE WORLD

*I Play I Learn, a pre-school, organised The Jungle World 2014 for its toddlers. Children, parents and teachers from the three centres of the pre-school — at Tollygunge, Behala and Bagha Jatin — came together for the event at Vidya Mandir. The programme saw enthralling performances by 130 students, all aged between two and four years. Based on the jungle theme, the kids performed Indian and western dances, recited rhymes, enacted skits and also walked the ramp*
